

We offer the best price-performance ratio.

Information and prices for experts and insurance companies

With over 20 years' experience in claims management and a perfectly coordinated system, CARTV is the right partner when it comes to calculating residual value in a competent, professional and optimised manner. We are perfectly tuned for the digital age: we offer an ideal symbiosis of the latest technology and a team that can provide you with personal support and specialised expertise.

CARTV: the salvage exchange that adds value.

CARTV, a Global Services TV a.s. brand, was established in 1998. With locations in Munich, Bratislava and Warsaw and a broad network of dealers, CARTV offers comprehensive service when it comes to calculating residual value. Upon request, CARTV can provide support via a pool of service staff to handle the sale of vehicles of any kind.
